

### **The Trouble- Shooter**

Arbind Kumar Choudhary

The chanter is the trouble- shooter  
Who nails to counter  
For the surmounter of the punter  
Amidst many a grunter?

The head hunter is the dragon hunter  
Who hunts the mage hunter  
For the counter of love hunter  
Amidst many a mind hunter?

The mounter is the pointer  
Who be Comes the supplementer  
For the tenter of the presenter  
Amidst many a preventer?

How can one aspire for the surmounter  
Amidst many a punter?
